Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Essentialism by Greg McKeown Key Takeaways, Analysis Review Preview: Essentialism: The Disciplined Pursuit of Less is a self-help book by Greg McKeown. The book outlines a minimalist approach to tasks and obligations by focusing on truly important goals and learning to turn down opportunities that do not directly contribute to meeting those goals. The modern fixation with multitasking and having it all has paradoxically resulted in accomplished, motivated people doing many relatively unimportant things poorly while neglecting their true goals because they are afraid of refusing any request.
