Reviews

It is really an incredible publication which i have possibly read. It is amongst the most incredible publication i actually have read through. I found out this pdf from my i and dad recommended this publication to discover.

(Abigale Ruecker)

AIR WAR OVER THE ATLANTIC

Pen & Sword Books Ltd. Paperback. Book Condition: new. BRAND NEW, Air War Over the Atlantic, Manfred Griehl, Late in 1938, the German Navy Supreme Command commissioned a report into the combat effectiveness of its airborne divisions. As a result of its findings, the German High Command instigated a major construction program for planes with a specifically maritime role: carrier-borne, reconnaissance, mine laying and most importantly, long-range units were all developed. In this volume of the outstanding Luftwaffe at War series, Manfred Griehl showcases a photo-history of the development of the Kriegsmarine airborne capability from the early Condor missions to the introduction of Me 262 A-1a jet fighters in 1944. More than a hundred rarely seen pictures illustrate the gradual turning of the tide against Germany in the war for the skies over the Atlantic: as the German war machine struggled to match demand for aircraft, so the pilots attempting to control crucial supply routes struggled to compete with mounting allied technical and numerical superiority.
