It is a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Gomer Press. Paperback. Book Condition: new. BRAND NEW, No Job for a Little Girl, Rosemary Scadden, Our fascination with societies and households united by social, class and occupational division continues unabated. The popularity of Downton Abbey, Upstairs Downstairs and Gosford Park bears testimony to this and Rosemary Scadden's study of Welsh girls in domestic service between the wars is sure, therefore, to strike a chord. Domestic service was Britain's biggest employer a century ago with 1.5 million people working as servants - more than those who worked on farms or in factories. In a period where there were very few opportunities for young women, many had to leave home in search of domestic work. And the young girls of Wales were no exception. No Job for a Little Girl is based on interviews with those women who had to leave home in the 1920s and 1930s (some when they were as young as fourteen years old) to work in domestic service. Each new chapter concentrates on related aspects of the experience from leaving home to working conditions, money and mischief to the end of an era.
